The following business of the Company will be dealt with at the Meeting:

1. to receive the audited annual financial statements of the Company for its fiscal year ended December 31, 2012, together with the auditor’s report thereon;
2. to elect the directors for the ensuing year;
3. to appoint KPMG Inc. as the independent auditor of the Company for the ensuing year and to authorize the directors to fix the independent auditor’s remuneration; and
4. to transact such further business as may properly come before the Meeting or any adjournment or adjournments thereof.

The audited annual financial statements of the Company for the fiscal year ended December 31, 2012, the Company’s annual report filed on Form 20-F for the year ended December 31, 2012 and the Company’s management discussion and analysis for the year ended December 31, 2012 are available on the System for Electronic Data Analysis and Retrieval at www.sedar.com.

Registered Shareholders other than South African Shareholders

A Registered Shareholder may attend the Meeting in person or may be represented by proxy. Registered Shareholders, other than South African Shareholders, who are unable to attend the Meeting or any adjournment thereof in person are requested to date, sign and return the accompanying form of proxy (yellow) (the “Proxy”) for use at the Meeting or any adjournment thereof. To be effective, the enclosed Proxy must be mailed so as to reach or be deposited with Computershare Trust Company of Canada by fax (1-866-249-7775) or by mail or by hand to 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 prior to 10:15 a.m. (Eastern Time) (7:15 a.m. Pacific Time) on June 26, 2013 or, if the Meeting is adjourned, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays in the cities of Vancouver, British Columbia and Johannesburg, South Africa) before the commencement of the adjourned Meeting or may be deposited with the Chair of the Meeting prior to the commencement thereof.

Beneficial Shareholders (being Shareholders who beneficially own and hold Common Shares through a broker or other intermediary and who do not hold Common Shares in their own name) should refer to the accompanying management information circular of the Company for voting information.

South African Shareholders

South African Shareholders holding Common Share certificates in their own names and South African Shareholders who have dematerialised their Common Shares and have elected “own-name” registration in the sub-register through a Central Securities Depository Participant (“CSDP”), may attend the Meeting in person or, if they are unable to attend the Meeting but wish to be represented thereat, must complete and return the attached South African form of proxy (yellow) (the “South African Proxy”), to the offices of the Company’s transfer agent (by mail at Computershare Investor Services (Pty) Limited, PO Box 61051, Marshalltown, 2107 or by hand at Computershare Investor Services (Pty) Limited, Ground Floor, 70 Marshall Street, Johannesburg, 2001 to be received prior to 4:15 p.m. (Central African Time) on June 26, 2013 or, if the Meeting is adjourned, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays in

the cities of Vancouver, British Columbia and Johannesburg, South Africa) before the commencement of the adjourned Meeting or may be deposited with the Chair of the Meeting prior to the commencement thereof.

South African Shareholders who have dematerialised their Common Shares through a CSDP or broker and who have not elected "own-name" registration in the sub-register maintained by a CSDP and South African Shareholders who hold certificated Common Shares through a nominee, who wish to attend the Meeting must instruct their CSDP, broker or nominee to issue them with the necessary letter of representation to attend, or, if they do not wish to attend the Meeting but wish to be represented thereat, they must provide their CSDP, broker or nominee with their voting instructions in terms of the custody agreement entered into between them and their CSDP, broker or nominee.

In respect of dematerialised Common Shares, it is important to ensure that the person or entity (such as a nominee) whose name has been entered into the relevant sub-register maintained by a CSDP completes the South African Proxy and appoints a proxy to vote at the Meeting.

If you are in any doubt as to the action you should take, please consult your broker or other intermediary through whom your Common Shares are held, CSDP, banker, accountant, attorney or other professional adviser immediately.

DATED at Vancouver, British Columbia this 28th day of May, 2013.

BY ORDER OF THE BOARD OF DIRECTORS

GENERAL PROXY INFORMATION

The following proxy information is applicable to all Shareholders, **other than South African Shareholders who should refer to the section of this Information Circular entitled “Information for South African Shareholders” for proxy instructions.**

Solicitation of Proxies

The solicitation of proxies is made by management on behalf of the Company, and will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and employees of the Company. The Company will bear all costs of any solicitation. We have arranged for Intermediaries to forward the meeting materials to Beneficial Shareholders of record by those Intermediaries and we will reimburse the Intermediaries for their reasonable fees and disbursements in that regard. The cost of solicitation will be borne by the Company.

The following information respecting appointment of proxyholders and revocation of proxies is generally applicable only to Registered Shareholders. A significant number of Shareholders are Beneficial Shareholders. In almost all cases, a Beneficial Shareholder will not appear as the holder of record of such Common Shares on the Company’s central securities register of Shareholders. As Beneficial Shareholders do not have the same legal rights as Registered Shareholders in respect of shareholder meetings (including the rights described below to appoint a proxyholder and revoke a deposited proxy), Beneficial Shareholders are required to act indirectly through their Intermediary in order to vote their Common Shares or revoke a proxy, and Beneficial Shareholders should refer to the information set out under “General Proxy Information – Beneficial Shareholders” in this Information Circular.

Appointment of Proxyholders

A Shareholder may attend the Meeting in person or may be represented by a proxyholder. Registered Shareholders who are unable to attend the Meeting in person are asked to date, sign and return the accompanying yellow coloured Proxy, or other appropriate form of proxy, in accordance with the instructions set out in this Information Circular. If a Proxy is not dated, the proxyholder so appointed will date such Proxy as of the date on which it was mailed to such Registered Shareholder by the Company. **A Proxy will not be valid unless it is deposited at the offices of Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 prior to 10:15 a.m. (Eastern Time) (7:15 a.m. Pacific Time) on June 26, 2013 or, if the Meeting is adjourned, not less than 48 hours (excluding Saturdays, Sundays and holidays in the Cities of Vancouver, British Columbia and Johannesburg, South Africa) before the time of the Meeting. A person appointed as proxyholder need not be a Shareholder.**

A Proxy must be signed by the Registered Shareholder or a duly appointed attorney authorized in writing or, if the Registered Shareholder is a corporation or other entity, by a duly authorized officer. A Proxy signed by a person acting as attorney or in some other representative capacity (including an officer or other duly appointed representative of a corporate Registered Shareholder) should clearly indicate that person’s capacity and should be accompanied by the original or a notarized copy of the instrument evidencing such qualification and authority to act, or such other documentation in support as is acceptable to the Chair of the Meeting.

The management designees named in the accompanying Proxy are senior officers and directors of Atlatza. **A Registered Shareholder has the right to appoint a person (who need not be a Shareholder), other than the management designees to represent such Registered Shareholder at the Meeting. To exercise this right, a Registered Shareholder should cross out the names of the management designees on the accompanying Proxy and insert the name of the other person in the blank space provided.**

Voting by Proxyholders and Exercise of Discretion

The persons named in the Proxy will vote, or withhold from voting, the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified by the Registered Shareholder in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy “FOR” the approval of such matter.

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by:

- (a) completing, dating and signing the enclosed Proxy (yellow sheet) and returning it to the Company’s transfer agent, Computershare Investor Services Inc., by fax within North America at 1-866-249-7775, outside North America at 1-416-263-9524, or by mail or by hand to the 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) using a touch-tone phone to transmit voting choices to a toll free number. Registered Shareholders must follow the instructions of the voice response system and refer to the enclosed form of Proxy (yellow sheet) for the toll free number, the holder’s account number and the control number; or
- (c) using the internet through the website of the Company’s transfer agent at www.investorvote.com, Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy (yellow sheet) for the holder’s account number and the control number;

in all cases ensuring that the Proxy is received prior to 10:15 a.m. (Eastern Time) (7:15 a.m. Pacific Time) on June 26, 2013, or, if the Meeting is adjourned, then not less than 48 hours (excluding Saturdays, Sundays and holidays in the Cities of Vancouver, British Columbia and Johannesburg, South Africa) before the commencement of the adjourned Meeting at which the Proxy is to be used.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by:

- (a) executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder’s authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Computershare Investor Services Inc. at 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1 at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the Chair of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the Registered Shareholder’s Common Shares.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

Beneficial Shareholders

The following information is of significant importance to many Shareholders, as a substantial number of Shareholders are Beneficial Shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that only Proxies deposited by Registered Shareholders can be recognized and acted upon at the Meeting.

If Common Shares are listed in an account statement provided to a Shareholder by a broker or other Intermediary, then, in almost all cases, those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for CDS, which acts as nominee for many Canadian brokerage firms).

Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of Beneficial Shareholders. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person in advance of the Meeting.** Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. **If you are a Beneficial Shareholder, you should carefully follow the instructions of your Intermediary in order to ensure that your Common Shares are voted at the Meeting.**

The voting instruction form supplied to you by your broker will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge. Broadridge typically provides a computer readable voting instruction form to Beneficial Shareholders and asks Beneficial Shareholders to complete this form and return to Broadridge. The voting instruction form will name the same persons as the Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or voting instructions given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting. The voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.**

These securityholder materials are being sent to both Registered Shareholders and Beneficial Shareholders. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name, address and information about your holding of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding Common Shares on your behalf. By choosing to send these materials to you directly, the Company (not the Intermediary holding Common Shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you, may attend at the Meeting as proxyholder for your Intermediary and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your Intermediary, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on

the voting instruction form provided to you and return the same to your Intermediary in accordance with the instructions provided by such Intermediary, well in advance of the Meeting.

Atlatsa will send proxy-related materials directly to non-objecting Beneficial Shareholders in accordance with NI 54-101 – *Communication with Beneficial Owners*.

Electronic Participation

This year, the Company is excited to provide the opportunity for Registered Shareholders to participate electronically in the meeting from Vancouver, British Columbia. The Meeting will be held in Sandton, Johannesburg, South Africa at the Company's head offices with a simulcast live by video conference to Atlatsa's registered offices in Canada at Suite 1300, 777 Dunsmuir Street, Vancouver, British Columbia. If you attend the Meeting in Sandton, Johannesburg, South Africa or participate from the Company's satellite location in Vancouver, British Columbia, you will be able to see and hear the individuals at the other location by way of large screens and will also be able to vote and ask questions at the relevant times during the Meeting. Although the Company's goal is seamless electronic participation from Vancouver, British Columbia, if you are concerned with ensuring that any votes you wish to cast at the Meeting are counted and you are not able to attend the Meeting in person in Sandton, Johannesburg, South Africa, you should vote in advance by proxy.

INFORMATION FOR SOUTH AFRICAN SHAREHOLDERS

This Information Circular will be distributed to all Shareholders on the South Africa register who have elected to receive such documentation.

South African Proxy Instructions

Voting by Proxyholders

The persons named in the South African Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. The South African Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the South African Proxy, the persons named in the South African Proxy will vote the Common Shares represented by the South African Proxy for the approval of such matter.

VOTES NECESSARY TO PASS RESOLUTIONS

If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill as a consequence of additional nominations from the floor of the Meeting, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

The Company has a majority voting policy, which provides that if the votes "for" the election of a director nominee at a meeting of Shareholders are fewer than the number voted "withheld", the nominee is expected to submit his or her resignation promptly after the meeting for consideration by the Nomination and Governance Committee. The Nominating and Governance Committee will make a recommendation to the Board after reviewing the matter, and the Board will then decide whether to accept or reject the resignation. The Board's decision to accept or reject the resignation will be disclosed to Shareholders. The nominee will not participate in any Nomination and Governance Committee deliberations whether to accept or reject the resignation. This policy does not apply in circumstances involved contested director elections.

- (a) the CEO;
- (b) the CFO;
- (c) each of the three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the company, nor acting in a similar capacity, at December 31, 2012.

For the purposes of the executive compensation disclosure in this Circular, Bava Reddy (Business Development Officer), Joel Kesler (Chief Commercial Officer), Harold Motaung (Chief Executive Officer), Tumelo Motsisi (Executive Chair), and DeWet Schutte (Chief Financial Officer) are considered NEOs of Atlatsa.

Compensation Committee

The Company has a Compensation Committee to assist the Board of Directors in carrying out its responsibilities relating to executive and director compensation. The Compensation Committee has the following duties, responsibilities and authority:

- (a) to recommend to the Board of Directors the form and amount of compensation to be paid by the Company to the Directors, including compensation to be paid in consideration of a director acting on a committee of the Board of Directors;

- (b) to review and approve corporate goals and objectives relating to the compensation of the Company's executive officers, including the Executive Chair, CEO, CFO and other senior officers (collectively, the "Officers") if applicable. The Compensation Committee evaluates the performance of the Officers in light of those goals and recommends to the Board the Officers' annual compensation and incentive or equity plan participation levels and bases of participation. Recommendations of compensation include salary, bonus, and other incentive compensation;
- (c) to review and recommend to the Board on an annual basis the evaluation process and compensation structure for the Company's other employees;
- (d) based upon input and recommendations from the Officers, to review the Company's incentive compensation plans and recommend changes in such plans to the Board of Directors as needed and to review and submit to the Board of Directors recommendations concerning new incentive compensation plans;
- (e) to administer the Company's Stock Option Plan and other equity based compensation plans and determine the grants of Options and other equity based compensation; and
- (f) to prepare and publish any annual executive compensation report in the Company's annual information form or proxy statement.

The Compensation Committee is composed of Anu Dhir (the Compensation Committee Chairperson) and Patrick Cooke (appointed May 3, 2012), both of whom are independent directors. Both Ms. Dhir and Mr. Cooke have experience participating in compensation committees of other publicly listed companies. During the 2012 financial year, the Compensation Committee met three times and the proceedings at such meetings were documented in the form of meeting minutes. Ms. Dhir and Mr. Cooke have relevant experience with respect to compensation matters on the basis of previous roles as directors of public companies and the compensation committees thereof. Additional information regarding the Compensation Committee is provided under "Corporate Governance - Board Committees – Compensation Committee".

Report on Executive Compensation

The Board assumes responsibility for reviewing and monitoring the long-range compensation strategy for the senior management of the Company although the Compensation Committee guides it in this role. As part of its mandate, the Board determines the type and amount of compensation for the Company's executive officers. In addition, the Board reviews the methodology utilized by the Company for setting salaries of employees throughout the organization.

The Company's Compensation Committee receives competitive market information on compensation levels for executives. The Company's compensation policies and programs are designed to be competitive with similar mining companies and to recognize and reward executive performance consistent with the success of the Company's business.

Philosophy and Objectives

The Company's reward philosophy is to consider the total reward package needed to meet the differing roles within the Company whilst ensuring external competitiveness and internal relativity. The purpose is to engage all employees to such a degree that they prefer to work for Atlatza rather than another organization. To this end we regularly re-evaluate our reward programs, recognizing both where we are as an organization from a maturity life-cycle perspective as well relevant competitive factors that may affect achieving responsible delivery towards corporate objectives.

The compensation program for the senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining talented, qualified and effective Officers;
- (b) motivating the short and long-term performance of these Officers; and
- (c) better aligning their interests with those of the Company's Shareholders.

In compensating its Officers, the Company has employed a combination of base salary, bonus compensation and equity participation through its Stock Option Plan. For the current year, no bonuses have been proposed or paid to any NEO.

Historically the Company has not had a formalized performance management system for the Officers. With effect from the commencement of the 2013 financial year, the Company is developing the Corporate Scorecard to enable the performance of the Officers to be evaluated on an annual basis.

The Corporate Scorecard

The Corporate Scorecard defines the Company's primary success indicators and focus management effort. The Corporate Scorecard will be used to:

- pre-determine objectives and measurements which reflect critical success factors;
- track critical performance variables over time and value; and
- ring-fence deliverables and ascribe weightings of potential contribution to business success.

Corporate Scorecard – Objectives 2013	Weighting
Safely Achieving Production Targets	30
Zero Harm to People, Property and the Environment	25
Sustaining the Company's Social License to Operate	15
Maintaining a Reliable Information Management System	10
Financial Management	10
Positioning/Marketing	10
Total	100

The Officers will be evaluated against the Corporate Scorecard by the Compensation Committee with input from the Board of Directors. The actual evaluation will be used to quantify any annual base salary adjustment, bonus compensation and equity participation elements for each Officer.

Base Salary

In the Board's view, paying base salaries that are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. The NEOs are paid a salary in order to ensure that the compensation package offered by the Company is in line with that offered by other companies in our industry, and as an immediate means of rewarding the NEO for efforts expended on behalf of the company.

The salary to be paid to a particular NEO is determined by gathering competitive salary information on comparable companies within the industry from a variety of sources, including surveys conducted by independent consultants and national and international sources of such listed information. Currently, the Company relies on Anglo Platinum to provide this information. Anglo Platinum uses PE Corporate Services (Pty) Ltd. and Global Remuneration Solutions (Pty) Ltd. to provide this information at no cost to the Company. Payment of a cash salary fits within the objective of the compensation program since it rewards the NEO for performance of his or her duties and responsibilities. Salaries of Officers are reviewed annually by the Board of Directors.

Bonus Compensation

No bonus arrangements with NEOs or directors have been agreed for the most recently completed financial year, although certain NEOs may be awarded bonus compensation in 2013 as discussed under the section entitled “The Corporate Scorecard” above.

Equity Participation

The Company’s Stock Option Plan is dated for reference May 21, 2004 and was amended on June 17, 2005 and June 15, 2009. The terms of the Stock Option Plan are described below under “Stock Option Plan”. The Stock Option Plan is designed to foster and promote the long-term financial success of the Company by strengthening the ability of the Company to attract and retain highly competent directors, employees and consultants, motivate performance through incentive compensation, promote greater alignment of interests between employees and Shareholders in creating long-term Shareholder value, and enable employees to participate in the long-term growth and financial success of the Company. Options are granted taking into account a number of factors, including the amount and term of Options previously granted, base salary, bonuses and competitive factors. The Compensation Committee administers the Stock Option Plan, generally granting Options annually to directors, management, employees and consultants and to individuals commencing employment with the Company. Previous grants are taken into account when considering new grants.

The Company also provides compensation to certain members of management through awards of SARs. See “Share Appreciation Rights” below.

General

Given the evolving nature of the Company’s business, the Board continues to review and redesign the overall compensation plan for NEOs so as to continue to address the objectives identified herein. The Board has not considered the implications of the risks associated with the Company’s current compensation program; however, the Company will review and consider the implications of any risks associated with the Company’s compensation program and design such compensation policies and practices in order to mitigate such risks.

There is no restriction on NEOs or directors regarding the purchase of financial instruments including prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by an NEO or a director. For the year ended December 31, 2012, no NEO or director, directly or indirectly, employed a strategy to hedge or offset a decrease in market value of equity securities granted as compensation or held.

Performance Graph

The following graph compares the total cumulative Shareholder return for \$100 invested in Common Shares on December 31, 2007 with the cumulative total return of the TSX Venture Composite Index and the Toronto Stock Exchange 300 Index, for the five most recently completed financial years.

To evaluate the trend in the Company’s compensation levels in relation to the Company’s performance as measured in the graph above, the Company relied on total annual compensation awarded for 2008 through 2012 on the same basis as is currently disclosed in the “Summary Compensation Table” for the NEOs below. As at December 31, 2012 total annual compensation for NEOs had decreased approximately 35% compared to December 31, 2007. The Company’s share price performance from December 31, 2007 through to December 31, 2012 decreased by approximately 97%. The trend in compensation levels of NEOs for 2008 through 2012 each year generally tracked the Company’s share price performance.

SUMMARY COMPENSATION TABLE

The compensation provided to NEOs of the Company during the financial year ended December 31, 2012, for each of the Company's three most recently completed financial years, is as follows:

Notes:

- (1) The Options granted in the 2010 financial years were granted pursuant to the Stock Option Plan (See "Stock Option Plan" below). For compensation purposes, the Black-Scholes option valuation model has been used to determine the fair value on the date of grant. The Black-Scholes option valuation is determined using the expected life of the Option, expected volatility of the Company's Common Share price, expected dividend yield, and risk-free interest rate.
- (2) Compensation of certain of the Company's South African executives is payable in Canadian dollars but is paid to each executive in ZAR at a month end exchange rate at the time. For the purpose of the annual amount the ZAR value for the year has been converted at 1 CAD = ZAR8.53. The amount above is the Canadian dollar denominated compensation.
- (3) The NEOs who are also directors do not receive any compensation in their capacity as directors of the Company.
- (4) Mr. Motaung was appointed as CEO in April 2011.
- (5) Mr. Schutte was appointed Acting CFO in December 2009 and was appointed as CFO with effect from May 1, 2010.
- (6) Salary is paid in ZAR. The amount above is the Canadian dollar equivalent translated at an average exchange rate of \$1: ZAR8.20 during the fiscal year ended December 31, 2012.

Note:

- (1) The value at December 31, 2012 is calculated by determining the difference between the closing price of the Common Shares at December 31, 2012 (\$0.14 per Common Share) underlying the Option on the TSX-V and the exercise price of the Options, multiplied by the number of Options outstanding as at December 31, 2012.

Incentive Plan Awards – Value Vested or Earned During the Year

The following table sets out all incentive plans (value vested or earned) during the year ended December 31, 2012, for each NEO:

Tumelo Motsisi	Nil	Nil
Harold Motaung	Nil	Nil
De Wet Schutte	Nil	Nil

Note:

- (1) These amounts represent the aggregate dollar value that would have been realized if the Options under the Option-based award had been exercised on the vesting date. The value of each amount has been determined by taking the difference between the market price of the Option at date of vesting and the exercise or base price of the Option under the Option-based award on the vesting date.

The Stock Option Plan is administered by the Compensation Committee of the Board of Directors. The Stock Option Plan provides that Options will be issued to directors, officers, employees or consultants of the Company or a subsidiary of the Company. All Options typically expire five years after the date of grant of such Options.

Eligible Optionees

Under TSX-V policies, to be eligible for the issuance of an Option under the Stock Option Plan, an Optionee must either be an employee, director, officer, consultant or an employee of a company providing management or other services to the Company or its subsidiary at the time the Option is granted.

Options may be granted only to an individual or to a company that is wholly owned by individuals eligible for an Option grant. If the Option is granted to a company, the Company must provide the TSX-V with an undertaking that it will not permit any transfer of its shares, nor issue further shares, to any other individual or entity as long as the Option remains in effect without the consent of the TSX-V.

Material Terms of the Stock Option Plan

The following is a summary of the material terms of the Stock Option Plan:

- (a) all Options granted under the Stock Option Plan are non-assignable and non-transferable;
- (b) for Options granted to employees or service providers (inclusive of management company employees), the Company is required to represent that the proposed Optionee is a bona fide employee or service provider (inclusive of a management company employee), as the case may be, of the Company or of any of its subsidiaries;
- (c) Options have a maximum term of ten years; although to date Options have generally expired five years after the date of grant. Options terminate 30 days following the termination of the Optionee's employment or other relationship with the Company, except in the case of retirement or death. In the case of retirement, Options terminate 30 to 90 days, at management's discretion, following retirement. In the case of death, Options terminate at the earlier of one year after the event or the expiry of the Option. Vesting of Options is at the discretion of the Compensation Committee at the time the Options are granted; and
- (d) the exercise price of an Option granted under the Stock Option Plan must not be less than the closing price for Common Shares of the Company as traded on the TSX-V on the last trading day before the date that the Option is granted less allowable discounts as permitted by TSX-V (depending on the price at the time of grant).

Share Appreciation Rights (“SARs”)

Atlatsa currently has a scheme in place to award SARs to senior staff and certain members of management at Bokoni. The purpose of the SARs scheme is to recognize the contributions of senior staff to Atlatsa's financial position and performance and to retain key employees. SARs are linked to the price of Common Shares on the JSE and are settled in cash on the exercise date. The SARs settle on the vesting date and then employees can exercise at any date between the vesting date and the expiration date. Directors and NEOs of the Company are not eligible to receive SARs.

One third of the SARs granted vest annually on the anniversary of the grant date, with an expiry date five years from the grant date. The base price of SARs equals the closing market price of the underlying Common Shares on the JSE on the trading date immediately preceding the date on which the SARs are granted.

	<u>2012</u>	<u>2011</u>	<u>2010</u>
SARs granted	17,324,869	6,294,869	3,737,103
Vested already	1,997,268		
Vesting year of unvested SARs:			
One year after the grant	5,636,401	2,396,801	1,575,035
Two years after the grant	5,273,200	2,025,134	1,575,035
Three years after the grant	4,418,000	1,872,934	587,033
Total number of SARs	17,324,869	6,294,869	3,737,103

The value of the SARs expensed in the year ended December 31, 2012 was calculated as \$ Nil (2011: \$437,152 and 2010: \$947,176).

The assumptions used to estimate the fair value of the SARs granted during the year were:

South African risk-free rate	4.9% - 5.8%	6.4%	6.7%
Volatility	82% - 106%	85.1%	82%-86%
Forfeiture rate	0%	0%	0%
Expected dividends	Nil	Nil	Nil

The only vesting conditions for the scheme are that the employees must be in the employment of Atlatsa or one of its subsidiaries at the time in which the SARs are exercised.

The volatility of the SARs were calculated with the equally weighted standard approach of calculating volatility by using available historical information on the Common Share price for Atlatsa on the JSE equal to the term to maturity of the scheme.

The risk-free rate for periods within the contractual term of the SARs is based on the South African Government Bonds in effect at the time.

CORPORATE GOVERNANCE

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders. The CSA have adopted NP 58-201, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA have implemented NI 58-101, which prescribes certain disclosure by the Company of its corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

1. Board of Directors

NI 58-101 considers directors to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in the view of the Company's Board of Directors, be reasonably expected to interfere with the exercise of a director's independent judgment. Examples of such material relationships include employment relationships, officer positions and recent employment by the auditors and like matters. The majority of the directors of the Company are independent directors.

The Company's Corporate Governance Policies and Procedures Manual, which governs and mandates the conduct of the Board of Directors and delineates director responsibilities and qualification standards, is available on the Company's website at www.atlatsaresources.co.za. The Company is in the process of updating this manual. Information on the Company's website is not a part of this Management Information Circular.

The CSAs' corporate governance guidance suggests that independent directors hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. The Board believes it is important that the Board of Directors regularly meet without management of the Company, but has also determined that open and candid discussion among independent directors is not necessarily inhibited by the presence of the non-independent directors and their exclusion from such meetings is not always warranted. No formal meeting of the independent directors was held during the year ended December 31, 2012.

The Board currently does not have an independent Chair. Anu Dhir is the Company's lead independent director. The Board facilitates its independent supervision over management in several ways including the holding of regular board meetings and committee meetings, informal discussions among independent directors and management and by retaining independent consultants where it deems necessary. With the exception of the Investment Committee, each of the standing board committees is also solely comprised of independent directors. Independent supervision is also achieved by the formation of special committees of the independent directors to oversee any matters in which non-independent directors who are members of management may have an interest. In addition, the Board of Directors has direct access to the Company's external auditors, legal counsel and to any of the Company's officers.

The independent members of the Board of Directors of the Company for the year ended December 31, 2012 ("**Fiscal 2012**") were Fikile De Buck, Anu Dhir, Wayne Kirk (resigned January 31, 2012), Siphon Nkosi (resigned July 2012), Rizelle Sampson and Patrick Cooke (appointed February 1, 2012).

The non-independent directors for Fiscal 2012 were Harold Motaung (President and CEO) and Tumelo Motsisi (Executive Chair of the Board).

The following table sets forth the record of attendance of board and committee meetings by directors for the year ended December 31, 2012:

2. Position Description

The Board has not adopted descriptions for the position of Executive Chair of the Board, the Chair of the committees of the Board, or the Chief Executive Officer. However, the Company's Corporate Governance Policies and Procedures Manual, which is available on the Company's website www.atlatsoresources.co.za, delineates the responsibilities and roles of the Board and each of the Board committees. In addition, the guidelines regarding the delegation of the Board's authority to senior officers of the Company is annexed as Section D-2 to the Corporate Governance Policies and Procedures Manual.

3. Orientation and Continuing Education

The Company has traditionally retained experienced mining people as directors and hence the orientation needed is minimized. When new directors are appointed, they are acquainted with the Company's mineral projects and the expectations of directors. Board meetings generally include presentations by the Company's senior management and project staff in order to give the directors full insight into the Company's operations. External consultants, including iThemba Governance and Statutory Solutions (Pty) Ltd. and KPMG Inc., also provide the Board with periodic legal updates.

4. Ethical Business Conduct

The Board has adopted a formal ethics policy (the “Code of Ethics”) that applies to all directors, officers and employees of the Company, included in Section B-3 to the Company’s Corporate Governance Policies and Procedures Manual, which is available on the Company’s website www.atlatsaresources.co.za. The Board also believes that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors’ participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Compliance with the Code of Ethics is monitored by the Nomination and Governance Committee. No departures from the Code of Ethics were identified by the Nominating and Governance Committee during Fiscal 2012. The Board has a number of policies in place designed to ensure that directors exercise independent judgment in matters where a director or officer has a material interest. In those circumstances, the relevant director and officer must declare their interest and in the case of a director, refrain from voting and the Nominating and Governance Committee considers any interested party transactions in advance of their consideration by the Board.

5. Nomination of Directors

The Board considers its size each year when it considers the directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board’s duties effectively and to maintain a diversity of views and experience. The Board has a Nominating and Governance Committee, composed entirely of independent directors, though the full Board retains responsibility for the recommendation of directors to the Shareholders for election.

The Board recognizes the lack of mining experience of the Board and is currently, in conjunction with completing the refinancing exercise, searching for two suitable qualified and experienced persons to be appointed as directors.

6. Compensation

The Company’s Compensation Committee, which is comprised entirely of independent directors, considers compensation for the directors and executive officers and submits its compensation recommendations to the Board for approval.

7. Board Committees

The Board has not adopted descriptions for the positions of Board Chair, and the Chair for each of the Board committees, but, as at the date of this Information Circular, the roles and responsibilities for the Board and for each of the Board committees has been described in the Company’s Corporate Governance Policies and Procedures Manual dated June 1, 2010, which is available on the Company’s website at www.atlatsaresources.co.za.

Audit Committee

See “Audit Committee and Relationship with Auditor” below.

Nominating and Governance Committee

Members: Patrick Cooke (Chair) and Fikile Tebogo De Buck. Siphon Nkosi resigned from being a member in July 2012. Wayne Kirk resigned from being a member of the Nominating and Governance Committee on January 31, 2012. Patrick Cooke was appointed to serve on the Nominating and Governance Committee as of February 28, 2012, and to act as Chair of this committee.

All of the members of the Nominating and Governance Committee, including the Chair, are independent members of the Board.

The Nominating and Governance Committee's functions include reviewing and making recommendations to the Board on the Company's general corporate governance framework, the composition and performance of the Board and its committees, appointment of directors and group executive committee members, legal compliance and the Company's ethics policy and programs.

It is also within the mandate of the Nominating and Governance Committee to oversee the Company's majority voting policy, which provides, in certain circumstances, that if the votes "for" the election of a director nominee at a meeting of Shareholders are fewer than the number voted "withhold", the nominee is expected to submit his or her resignation promptly after the meeting for consideration by the Nominating and Governance Committee. The Nominating and Governance Committee will make a recommendation to the Board after reviewing the matter, and the Board will then decide whether to accept or reject the resignation.

Compensation Committee

Members: Anu Dhir (Chair) and Patrick Cooke and met three times in 2012.

Sipho Nkosi resigned from the Compensation Committee in July 2012. Patrick Cooke was appointed to the Compensation Committee effective July 17, 2012.

All the members of the Compensation Committee, including the Chair, are independent non-executive directors. The CEO and the Executive Chair attend the meetings of the Compensation Committee at the request of the Compensation Committee, but are requested to leave the meeting before any decisions are made.

The Compensation Committee evaluates and monitors Atlatsa's remuneration philosophy and practices, ensures that they are consistent with sound governance principles and management systems and are aligned with the Company's approach to risk management, in that inappropriate risk taking is not incentivized.

Other key terms of reference set out in the mandate of the Compensation Committee include:

- providing guidance on the evaluation of the performance of NEOs;
- determining and recommending to the Board, the remuneration of NEOs and directors, whose remuneration is subject to shareholder approval;
- reviewing and approving total guaranteed package values including the annual short term and long term incentives granted to executive management;
- reviewing and approving proposals for annual salary adjustments and proposed changes to benefit fund rules across the Company;
- approving the principles, formulae applied and Company performance targets as well as the achievement thereof on which short-term and long-term incentives are based;
- reviewing and approving the terms and conditions of the executive directors' service agreements; and
- annually assessing the performance of the committee and the committee members.

Sustainable Development and Health and Safety Committee

Members: Fikile De Buck, Anu Dhir and Rizelle Sampson (Chairperson).

The Sustainable Development and Health and Safety Committee meets at least four times a year, or more frequently as circumstances dictate.

The objective of the Sustainable Development and Health and Safety Committee is to assist the Board in ensuring that we are and remain a committed socially responsible corporate citizen. The committee's primary role is to supplement, support, advise and provide guidance on the effectiveness or otherwise of management's efforts in respect of sustainable development.

The committee considers the following sustainable development issues: occupational health, safety, HIV/Aids, social investment and environmental management.

Investment Committee

Members: Anu Dhir (Chairperson), Tumelo Motsisi.

The Investment Committee meets as and when investment opportunities are identified. During Fiscal 2012, no meetings were held.

The primary purpose of the Investment Committee is to consider projects, acquisitions and the disposal of assets in line with the Company's overall strategy. This includes performing such other investment related functions as may be designated by the Board from time to time, considering the viability of the capital project and/or acquisition and/or disposal and the effect it may have on the Company's cash flow, as well as whether these will fit the Company's overall strategy. This committee's remit includes ensuring that due diligence procedures are followed when acquiring or disposing of assets.

Special Committee

Members: Fikile De Buck, Patrick Cooke (Chairperson) and Anu Dhir

The primary purpose of the Special Committee is to evaluate unusual/special transactions that occur on an ad-hoc basis. The Special Committee came into effect to address the Company's re-financing and re-structuring plan.

8. Other Board Committees

The Board has no committees other than the Audit Committee, Nominating and Governance Committee, Compensation Committee, Sustainable Development and Health and Safety Committee and Investment Committee and Special Committee.

9. Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management, and the strategic direction and processes of the Board and its committees. The Board and its committees have initiated a self-assessment process.

The Board is satisfied with the overall project and corporate achievements of the Company and believes this reflects well on the Board and its practices.

AUDIT AND RISK COMMITTEE AND RELATIONSHIP WITH AUDITOR

The CSA have adopted NI 52-110, which requires the Company to disclose annually in its Information Circular certain information concerning the constitution of its Audit and Risk Committee (the “Audit Committee”) and its relationship with its independent auditor, as set forth in the following:

The Audit Committee’s Charter

The Audit Committee is an important element of the Board’s system of monitoring and control. The text of the Audit Committee’s charter is available as Section C-1 to the Company’s Corporate Governance Policies and Procedures Manual, which is available on the Company’s website at www.atlatsaresources.co.za. The Audit Committee meets at least four times a year.

Composition of the Audit Committee

The members of the Audit Committee in 2012 were Anu Dhir, Fikile De Buck and Patrick Cooke. All the members of the Audit Committee are independent non-executive directors, financially literate and have extensive Audit Committee experience. Wayne Kirk resigned from the Audit Committee on January 31, 2012. Patrick Cooke was appointed to serve on the Audit Committee as from February 28, 2012.

The Executive Chair of the Board, the CEO, CFO, the internal auditors (outsourced function) and external auditors attend Audit Committee meetings on invitation.

The Audit Committee has been established primarily to assist the Board in overseeing:

- the quality and integrity of the company’s financial statements (including group financial statements) and public disclosures in respect thereof;
- the qualification and independence of the external auditors for Atlatsa;
- the scope and effectiveness of the external audit function for Atlatsa;
- the effectiveness of the Company’s internal controls;
- compliance with legal and regulatory requirements to the extent that it might have an impact on financial statements; and
- risk.

In addition to the responsibilities above, the Board has appointed the Audit Committee to perform on behalf of all South African subsidiaries of Atlatsa, the functions listed in section 94(7) of the South African Companies Act.

The Board has delegated extensive powers in accordance with the South African Companies Act and US corporate governance requirements to the Audit Committee to perform the above functions. In line with these requirements, the Audit Committee has, among other things, determined which categories of non-audit services provided by the external auditors should be pre-approved by the Audit Committee.

The Audit Committee meets regularly with the Company’s external auditors and managers to consider risk assessment and management, to review the audit plans of the external auditors, and to review accounting, auditing, financial reporting, corporate governance and compliance matters. The Audit Committee approves the external auditors’ engagement letter on the terms, nature and scope of the audit function and the audit fee. Interim and annual results of the Company and trading statements of the Company are reviewed by the Audit Committee before publication. The Audit Committee usually makes recommendations and refers matters for information or approval to the Board.

Both the Audit Committee and the Board are satisfied that the independence of the external auditors is not in any way impaired or compromised.

Relevant Education and Experience

As a result of his or her education and experience, each member of the Audit Committee has familiarity with, an understanding of, or experience in:

- the accounting principles used by the Company to prepare its financial statements, and the ability to assess the general application of those principles in connection with estimates, accruals and reserves;
- reviewing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements, and
- an understanding of internal controls and procedures for financial reporting.

Ms. De Buck is a Fellow of the Association of Chartered Certified Accountants (FCCA (UK)). Ms. Dhir has extensive experience in international business, operations and legal affairs in private equity and publicly-held companies in the mining, oil and gas, and technology sectors. Mr. Cooke is a Chartered Accountant (CA (SA)). All of the Audit Committee members are "financially literate", as that term is defined in NI 52-110.

Reliance on Certain Exemptions

The Company's auditors, KPMG, have not provided any material non-audit services, except as noted in the table below. Both the Audit Committee and the Board are satisfied that the independence of its external auditors is not in any way impaired or compromised.

Pre-Approval Policies and Procedures

The Company has procedures for the review and pre-approval of any services performed by its auditors. The procedures require that all proposed engagements of its auditors for audit and non-audit services be submitted to the Audit Committee for approval prior to the beginning of any such services. The Audit Committee considers such requests and, if acceptable to a majority of the Audit Committee members, pre-approves such audit and non-audit services by a resolution authorizing management to engage the Company's auditors for such audit and non-audit services, with set maximum monetary amounts for each itemized service. During such deliberations, the Audit Committee assesses, among other factors, whether the services requested would be considered "prohibited services" as contemplated by the regulations of the US Securities and Exchange Commission, and whether the services requested and the fees related to such services could impair the independence of the auditors.

External Auditor Service Fees

The Audit Committee has reviewed the nature and amount of the audit and non-audit services provided by KPMG to the Company to ensure auditor independence. Fees incurred with KPMG for audit and non-audit services in the last two fiscal years are outlined in the following table.

Nature of Services	Fees paid to auditor in year ended December 31, 2012	Fees paid to auditor in year ended December 31, 2011
Audit Fees ⁽¹⁾	\$514,905	\$550,806
Audit-Related Fees ⁽²⁾	\$ -	\$47,298
Tax Fees ⁽³⁾	\$197,136	\$70,330
All Other Fees ⁽⁴⁾	\$ -	\$6,840
Total	\$712,041	\$675,274

Notes:

- (1) "Audit Fees" consist of fees billed for the annual audit services engagement and other audit services, which are those services that only the Company's external auditor reasonably can provide, and include audits, interim reviews, comfort letters and consents, other attest services related to the audit or regulatory filings, and services associated with the filing of documents with regulatory authorities.
- (2) "Audit-Related Fees" consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements or that are traditionally performed by the external auditor, and include consultations related to financial accounting and reporting matters and standards, and other periodic reports.
- (3) "Tax Fees" include fees for all tax services other than those included in "Audit Fees" and "Audit-Related Fees". This category includes fees for tax compliance, tax planning and tax advice. Tax planning and tax advice includes assistance with tax audits and appeals, tax advice related to mergers and acquisitions, and requests for rulings or technical advice from tax authorities.
- (4) "All Other Fees" include all other non-audit services.

Pursuant to JSE Listing Requirements, the Audit Committee has met with the executive financial director and is satisfied that Mr. De Wet Schutte, the Chief Financial Officer of the Company, meets all of the JSE Listing Requirements to fulfill the role of Chief Financial Officer of Atlatsa.
